## Thesis and Dissertation Embargo Request and Approval

**USE OF THIS FORM:** The purpose of embargoing the MS thesis or Ph.D. dissertation is to delay public disclosure for a limited time so that NJIT (for MS students) or ProQuest (for PhD students) can preserve intellectual property rights if applicable. For additional information about embargo, please review *Copyright Ownership* and *Ownership of Intellectual Property* sections of the <u>Graduate Catalog: Academic Policies</u> and <u>Procedures</u>.

## **NOTE FROM THE LIBRARY**

Please note that your thesis/dissertation will be included in the NJIT institutional repository <a href="https://digitalcommons.njit.edu/">https://digitalcommons.njit.edu/</a>, after embargoing (if requested). In order to improve the search engine optimization we ask that you provide us with some additional metadata that we can apply to your thesis. First, we ask that you provide up to 6 key words/phrases that will help to lead interested readers to your research. Please enter the keywords in the spaces below
